

different strokes

Are you a boy or a girl?

i say smoke

to inhale if you're into
that or wave away if not

Well, do you like boys or girls?

i say folks

with hands big enough to hold
the truth of a mauve existence

Will you have kids? Be a Mother?

i say nope

i'm still raising myself, barely
saved a tree from being a stump

Is there a name for people like you?

i say Hope

that God will forgive us
for stealing His wondrous thunder
